EMERGENCY SERVICES

The Guidance Center's Emergency Services are provided 24-hours per day, 7 days per week by clinical staff for day time and after-hours crisis intervention. Emergency Services staff are available for consultation, problem solving, and, when needed, face to face intervention. After-hours services are available to clients and referral sources for consultation and problem resolution. To contact a member of the Emergency Services team:

During the day, call: (913) 682-6953

CRISIS CLINIC

The Crisis Clinic provides face-to-face contact with a mental health provider, and is available in all three of our office locations. In Leavenworth at the 500 Limit St. location, it is available Mondays through Fridays, from 9:00 am to 4:00 pm. In Atchison, the clinic is available Monday through Friday from 11:30 am to 12:30 pm. In Oskaloosa, the clinical staff are available for crisis support on an as-needed basis.

Recognizing that individual needs vary, the type of crisis is not judged by the crisis clinic staff. Rather, a crisis is defined by each individual and/or family coming to the clinic.

The clinic staff offers support, problem resolution, risk assessment, and resource referrals.

PRE-ADMISSION SCREENING ASSESSMENTS

Pre-admission hospital screening assessments are offered for individuals experiencing an emergency who may require inpatient psychiatric treatment. Screening assessments are available 7 days a week, 24 hours per day, and are conducted to determine the need for acute psychiatric hospitalization.

If hospitalization is not necessary, an alternative community services plan will be developed with the individual and/or family for appropriate follow-up care. This service is available for all individuals in Atchison, Jefferson, and Leavenworth Counties with Medicaid or no insurance.

Individuals with private insurance are encouraged to contact their insurance company to determine their specific protocol.

HOSPITAL LIAISON SERVICES

Hospital liaison services are required for individuals who live in Atchison, Jefferson, and Leavenworth Counties and who are hospitalized at a Kansas state hospital.

The liaison will assist with hospital discharge planning in order to make the transition from hospitalization to community living as easy as possible. The liaison can, on a limited basis, provide this service to individuals outside of the state hospital system. This service is provided by a Qualified Mental Health Professional (QMHP).

OUR SERVICE PROVIDERS

The Guidance Center's services are delivered by a team of mental health professionals crucial to the success of the treatment program. Staff are compassionate and understand the physical and emotional factors that contribute to sound mental health. Skilled professionals on our staff include adult and child psychiatrists, nurse practitioners, clinical social workers, psychologists, certified alcohol/drug counselors, adult & youth case managers, and parent support workers.

ACCESSING SERVICES

Services are available for all residents of Atchison, Jefferson, and Leavenworth Counties.

Specialized services for children are available for those youth meeting the criteria for serious emotional disturbance (SED) as defined by the State of Kansas. Specialized services for adults are available for those adults meeting the criteria for severe and persistent mental illness (SPMI) as defined by the State of Kansas.

Appointments can be made over the telephone or by coming in to one of our locations, whichever is more convenient.

FEES FOR SERVICES

Many health insurance plans include coverage for mental health and substance abuse services. The type and extent of mental health coverage may vary greatly. Our staff will be happy to assist you with contacting your insurance provider to determine if the Center is a provider on your plan.

For those individuals who do not have insurance, fees are adjusted based upon family income and family size, with funding made possible by state and local sources.

The Guidance Center will not deny necessary and appropriate services to anyone based solely on the consumer's inability to pay for those services. Fees charged by the Center may be adjusted or reduced in compliance with K.A.R. 30-60-64. Ask to speak with a Clinic Administrator if your fee presents a hardship for you.
